

## Introducing the new *V-Sconce* from Visionaire Lighting:

Compact, yet powerful, the ***V-Sconce*** is constructed of precision-cast low-copper aluminum alloy designed to efficiently cool the LED's and separated driver housing.

### Full range of solutions:

- Type 2, 3 and 4 distributions
- 120-480V
- Up to 9800 lumens
- 5 standard, plus custom finishes
- Photocell, 0-10V dim options
- Five year warranty

The ***V-Sconce*** continues the unique contemporary design that is inspired by the VLX area light series by Visionaire. It combines LED performance and advanced LED thermal management technology and provides lighting that is energy efficient and aesthetically pleasing.
